Re: Thomas M. Kelley v. Town of Plymouth, et al  
Civil Action No. 05-10596-NMG  
Proposed Draft of Protected Order to Impound Transcript of Future Deposition of  
Thomas M. Kelley concerning Retirement Board Records.

Dear Mr. Duffy:

As you recall in open court on December 4, 2006, at the hearing on Motions for a Protective Order and Motion to Compel filed by the respective parties in the above-entitled action, I requested a protective order regarding the release of any transcript from the testimony at a deposition of Thomas Kelley regarding executive session minutes and other records from the Plymouth Retirement Board.

I have been waiting for a date to be set for said deposition in order to provide that date within the protective order, but we still have not been able to agree as to a date. Therefore, I have identified the deposition as best I can in the proposed draft for a protective order that I enclose herewith for your review and comment. If this draft is acceptable, please advise. If there are changes required I will be glad to redraft it per your comments or requests. In open Court, Judge Bowler said that if I drafted the proposed order, she would sign it concerning impounding the deposition and making it only available to the parties to the suit, and not available to any member of the public or the press.

Marc Duffy, Clerk

Please advise at your earliest convenience.
